**(2) Sleepovers:** An eight-hour service, including one hour of total active non-scheduled work throughout the night (this may be used at different times during the night). If the caregiver provides services for more than one hour, a Worked Evening rate will be charged in 15-minute increments.

**(3) Care Management:** Under the Support at Home program, care management funding is pooled and used flexibly to coordinate support across all clients.

Pricing will be discussed and agreed upon in your quarterly budget, or at the time of booking. Our Associated Providers may update their fees from time to time. If your services are impacted, your dedicated Care Partner will advise of any impacts to your services and budget. If you choose an Associated Provider outside of our approved partners, a different rate may apply.

**Service List:** Please refer to the official [Support at Home service list](#) for a full list of services that may be covered under your funding.
